

Thursday, May 21 • 8:30 a.m.–11:30 a.m. • WESD Marion Room • Salem

# DQWG

## Agenda

Slide from Strand 2 training

### **8:30-9:45 Project Summary**

A two-page summary that highlights project accomplishments will be reviewed.

- How is “capacity” being built and how will the instructional strands be “sustained”?
- What recommendations are there from the technical training pilot?
- What is the roll-out plan in ‘09-10 and how will the technical training be sustained?

### **9:45-10:30 Electronic Transfer & KIDS**

- What is being transferred via the OSTX process and what data elements are being used in each process?
- What is the latest on KIDS?

### **10:30-10:40 Break**

### **10:40-11:00 The Probability Curve & Oregon's Growth Model**

- What is the “probability curve” and how should it be used?
- What is the final decision regarding the Oregon “growth” model and what happens next?

### **11:00 - 11:30 Next Steps for the Project**

- What else needs to be considered?
- What else can be done to support K-12?
